

# Very touchy, feely!

## ▶ ProChoice LiteGrip Gloves

**SAFE AS.**

When a job needs hand protection without inhibiting dexterity and comfort, there isn't a better choice than the ProChoice LiteGrip.

The palm and finger areas are nitrile foam-coated nylon, which, in wet or oily conditions, may enhance dexterity.

The knitted, garment-grade, nylon liner means a lightweight and breathable glove for comfort in hot conditions.

The LiteGrip glove is ideal for small parts handling, or any job where touch and feel is necessary, such as workshop, manufacturing or assembly-line applications.

# ProChoice LiteGrip Glove

## Technical Specifications

### Specifications

Code: NNF  
 Approvals: EN388  
 CE Rating 4121

### Materials

Protective Nylon Liner  
 Nitrile Foam Coated Palm

Test	Result
Abrasion	▶▶▶▶▶
Cut Resistance	▶▶▶▶▶▶▶▶▶▶
Tear Resistance	▶▶▶▶▶
Puncture Resistance	▶▶▶▶▶

## Features and Benefits

Comfort and breathability	Lightweight, knitted nylon glove is comfortable to wear, is flexible and allows good airflow.
Grip and dexterity	Nitrile, foam-dipped palm and fingers give good grip in most conditions and yet enhances the dexterity of the wearer.
Anti-Static Lining	This glove features an anti static lining making it ideal for handling delicate and sensitive parts and products. It aids in the prevention of static electricity build up on objects to be handled.
Economy	This is an economical glove that provides hand protection and prevents dangerous slippage when handling small parts and componentry.
Sizes	Available in sizes 7 - 11 Packs of 12 pairs and cartons of 120 pairs.

## Industry Applications

There are many industries where LiteGrip Gloves would be a welcome asset:

- Assembly
- Automotive
- Foundry
- Fabrication
- Manufacturing
- Waste management

## Complementary ProChoice Safety Products include:

HHV6

### Vented Hard Hat

- Lightweight, colour range of vented hard hats
- Available in white, yellow, red, blue, green, orange & fluoro yellow
- 6 point ProLock harness
- Air vents and cotton sweatband prevents perspiration build-up

EMCOB
